

[The ETF Ecosystem Webinar Replay](#)

As ETF providers continue to take the financial industry by storm, investors want to see the growth and learn how to participate. Toroso Asset Management, developers of the Toroso ETF Industry Index (TETF Index), and ETF Trends will examine the ETF ecosystem and highlight those fund sponsors, index providers, data companies, trading platforms, and liquidity providers.

Join Toroso Asset Management and ETF Trends as they discuss:

- The exponential growth of the ETF industry
- Who are the big players in the ETF space today
- Key industry trends to watch
- How financial advisors can follow the growth of the broad ETF industry through a targeted Index

Accepted for one hour of CFP/CIMA CE credit for live and on-demand attendees

ETF Trends is registered with CFA Institute as an Approved Provider of continuing education programs for CFA members (For live webcast only)
